## General Data Protection Regulation

- Edinburgh Hospital Broadcasting Service only gathers data from applicants to the service and its members. By completing an application form, applicants agree to the use of their email address for communication purposes.
- Data is never passed on, in any form, to other organisations or individuals.
- The data is contact information (address, phone, email) used solely to communicate with our members.
- It is stored on a secure server, password protected and only accessible to members of the committee.
- An abbreviated form of contact data is available to other members, again password protected.
- Minimal contact information for past members is retained, unless requested otherwise, for future contact.
- Personal data will be removed on request. Email [chair@ehbs.co.uk](mailto:chair@ehbs.co.uk)
